2016 Annual Notice of Right to Elect or Revoke Federal Tax Withholding

As a participant receiving benefits, federal income tax may apply to your retirement payments. To determine the taxable portion of the total annual benefit payment that you receive that may be subject to federal income tax withholding, please see the IRS federal tax table or consult with your tax advisor.

You May Change Your Election at Any Time

Please remember you may choose at any time whether or not to have federal taxes withheld from your payments in accordance with federal tax law. Please note, however, that if you elect to have no federal taxes withheld from your pension or monthly payments, or if you do not have enough federal taxes withheld from your payments, you may be responsible for paying estimated taxes, and you may also incur penalties under the estimated tax rules. For more information, contact a tax advisor.

If You Do Not Want to Change Your Current Federal Tax Withholding Election

If you do not want to change your current federal tax withholding, you do not have to do anything.

If You Want to Change Your Current Federal Tax Withholding Election:

You may change your federal tax withholding election any time on www.Netbenefits.com or by calling the benefits center and requesting the change through a customer service associate. This notice applies only to withholding for the qualified plan payments it accompanies. If you receive other payments, separate rules may apply. If you have questions, please call your benefits service center at the number printed on your check or payment confirmation, any business day (excluding New York Stock Exchange holidays), to speak to a service representative, or visit us online at netbenefits.fidelity.com.
