**Vehicle Details** - During our reconditioning process, some listings may display stock photos from the manufacturer. These photos may not match exactly to the actual vehicle for sale. While every reasonable effort is made to ensure the accuracy of this information, we are not responsible for any errors contained on these pages. Please verify any information in person at Car Credit Nation.

» Air bags, frontal, driver and right front passenger and side head curtain for 1st and 2nd row outboard passengers (Head curtain side air bags are designed to help reduce risk of head and neck injuries to front and rear seat occupants on the near side of certain side-impact collisions. Always use safety belts and the correct child restraints for your child's age and size. Even in vehicles equipped with air bags and the Passenger Sensing System, children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's manual and child safety seat instructions for more safety information.)

» Passenger Airbag Cutoff Switch/Sensor

» Safety belts, 3-point, driver and right-front passenger. (Includes center position lap belt when (AV8) 6-passenger seating is ordered.)
